Marialy Pacheco – Piano
Joo Kraus – Trumpet, Effects

Marialy Pacheco and Joo Kraus - amusical encounter with explosion and implosion at the same time:
introverted, playful, expressive, sparkling.

Since 2016, they give concerts together at national and international festivals and concert halls, such as Montreux Jazz Festival, Ronnie Scotts Jazz Club, Aalen Jazz Festival, Jazz Festival Viersen, Beethoven Festival Bonn, Jazz Festival Havana, Jazz Festival Haiti and Philharmonic Luxembourg.

This unique combination makes a fresh, new sound - the result is a mixture of traditional cuban music, afro-cuban rhythms, funkjazz, electronic effects and groovy club sounds.
