

**Max Mutzke – Vocals
Marialy Pacheco - Piano**

Max Mutzke's soulful and melancholy Songs in their purest Form:
Without Band or electronics, but rather concentrated on the intimate dialog with the
elegant piano playing from Marialy Pacheco.

Born in Cuba, Pacheco is considered one of the most versatile and brilliant jazz pianists of the
younger generation. The encounter with Max Mutzke and his irresistible soul voice came
together in the context of her album "Duets". From this collaboration the program "Unsere Nacht" was born.
A program crafted with care and finesse, embroidered with the colours of jazz and
deeply rooted in the essence of two extraordinary artists.
